Subject: jcrar bills

Mark:

I am writing in regards to LRB 0747 and LRB 0748. JCRAR has voted to introduce both these bills. Can you have each one jacketed for both the Assembly and the Senate? (If you have any questions about jacketing for the Assembly, you can contact Maggie Grimm in Representative Grothman's office. Her number is 4-8486.)

The committee report that needs to be attached to each bill is attached to this message.

Thanks for your help.

2001 BILL

REGEN

- 1 AN ACT to amend 196.218 (3) (e) of the statutes; relating to: universal service
- 2 fund surcharges on customer bills by telecommunications providers.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, a telecommunications provider is required to contribute to the universal service fund. In addition, a telecommunications provider may not establish a surcharge on customer bills to collect the contributions to the universal service fund. This bill allows a telecommunications provider to establish a surcharge on customer bills to collect the contributions that the telecommunications provider is required to make to the universal service fund.

This bill is introduced as required by s. 227.26 (2) (f), stats., in support of the action of the joint committee for review of administrative rules in suspending section PSC 160.18 (10), Wis. Adm. Code, a rule of the public service commission (PSC), on October 11, 2000. The suspended rule required the PSC to send bills to telecommunications providers that are commercial mobile radio service providers for collecting universal service fund contributions.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
