Ivy--Thanks for the fast turnaround on the Badger care bill. There will be an Assembly companion bill introduced by Rep. Lippert, so we'd like to authorize her access to the drafting file, as well as Rep. Gard's office, so they can get an Assembly companion jacketed.

1 AN ACT relating to: funding for the badger care health care program and making
2 appropriations.

Analysis by the Legislative Reference Bureau

Currently, the department of health and family services (DHFS) administers the badger care health care (BadgerCare) program. This program provides health care coverage to eligible low-income families and to eligible low-income children who do not reside with a parent. A family or child is generally considered low-income if the family's or child's income does not exceed 185% of the poverty line.

This bill appropriates an additional \$13,542,500 of general purpose revenue for the BadgerCare program in the 2000-2001 fiscal year. The bill also requires that \$11,237,100 of certain unanticipated federal moneys received under the federal Medicare, federal medical assistance, and federal foster care and adoption assistance programs (income augmentation moneys) lapse to the general fund.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. Appropriation changes.

- 4 (1) BADGER CARE HEALTH CARE PROGRAM. In the schedule under section 20.005
5 (3) of the statutes for the appropriation to the department of health and family

BILL

1 services under section 20.435 (4) (bc) of the statutes, as affected by the acts of 2001,
2 the dollar amount is increased by \$13,542,500 for fiscal year 2000-01.

3 (2) INCOME AUGMENTATION MONEYS. Notwithstanding section 20.001 (3) (c) of the
4 statutes, not later than 30 days after the effective date of this subsection, there is
5 lapsed to the general fund \$11,237,100 from the appropriation account of the
6 department of health and family services under section 20.435 (8) (mb) of the
7 statutes, as affected by the acts of 2001.
