

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1134/1dn
RPN:jld:km

December 4, 2000

As you may notice, I changed this draft slightly because the fee established in this statutory section controls the fees paid in many other proceedings, such as hearings before state agencies. Thus, I wanted to be sure that the fee paid to the witness will be the same within the same county, no matter before which agency or court the witness is testifying.
