Do you have the time to do the amendment described below? AB 50 is a redraft I did of something you did last session. If you don't have time, let me know as soon as possible, because they want the amendment before a hearing on Thursday and they want a fiscal estimate.

Good morning, Mark!

Representative Kreuser would like an amendment drafting to Assembly Bill 50 to have the State of Wisconsin be responsible for paying for the internet software management or services for computers hooked to the Internet - instead of it being a local mandate.

It is essential that we get a fiscal note for this amendment. I believe that we need to get approval from the Speaker to do so. Could you please let me know how to proceed on this?

Thank you.

Subject: Supplemental fiscal estimate request on AB50 as amended

R.J., I received a fax requesting a supplemental fiscal estimate on AB50 as amended by LRB a0275/1. Please contact Mike Barman or Landon Williams at LRB to initiate the process to have DPI do this estimate. I need to receive an email from LRB with the PDF file of the amendment to send it to DPI and so that LRB is aware of the request as well. All official fiscal estimate requests start with LRB. I will hold on to the fax and memo and send the memo to DPI once I have the PDF file from LRB.

Thank you for your help.
