Assumptions Used in Arriving at Fiscal Estimate

This amendment to Assembly Bill 50 creates a sum sufficient appropriation to pay school districts for Internet filtering costs. Funding would be provided through the TEACH Board.

If this bill (as amended) were to become law, it is assumed that local school districts would receive approximately \$1.28 million in 2000-01 for reimbursement for providing Internet managing software.

This bill has no fiscal effect on the Department of Public Instruction.
