1999 BILL

Regen

1 AN ACT *to amend* 40.05 (2) (b); and *to create* 40.02 (15) (d) and 40.05 (2) (bx) of
2 the statutes; **relating to:** granting creditable service under the Wisconsin
3 retirement system for service in the national guard or a reserve component of
4 the U.S. armed forces.

Analysis by the Legislative Reference Bureau

Under current law, a participant in the Wisconsin retirement system (WRS) may receive one year of creditable service under WRS for each year of military service, up to a maximum of four years of military service credit, at the time of retirement in either of the following ways:

1. If the participant left employment covered under WRS to enter military service and returned to the same employer within 180 days after being discharged, the participant may receive one year of military service credit for each year of military service (regardless of the amount of the participant's creditable service).

2. If the participant's military service was performed before 1974 and the participant terminates employment covered under WRS on or after March 9, 1984, the participant may receive up to one, two, three, or four years of military service credit if the participant has at least five, ten, fifteen, or twenty years, respectively, of creditable service (not counting previously granted military service credit).

This bill provides that any participant in the WRS who has served 20 or more years in the national guard or a reserve component of the U.S. armed forces may receive one year of creditable military service at the time of retirement. The bill,

BILL

however, does not affect the maximum number of years that may be credited for military service.

This bill will be referred to the joint survey committee on retirement systems for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 SECTION 1. 40.02 (15) (d) of the statutes is created to read:

5 service at the time of retirement. The creditable service granted under this
6 paragraph[✓] shall be the same type of creditable service set forth in s. 40.23 (2m) (e)[✓]
7 earned by the participant on the date that the participant terminates covered
8 employment.

9 SECTION 2. 40.05 (2) (b)[✓] of the statutes is amended to read:

10 40.05 (2) (b) Contributions shall be made by each participating employer for
11 unfunded prior service liability in a percentage of the earnings of each participating
