Tim,

This is the drafting request we discussed on the phone. Tami indicates below that this is a rush project and that the hard copy should go to Rep. Leibham's office and electronic copies to both legislative offices (Leibham and Stone).

Thanks for your help.

Dick

Dick-

The fiscal estimate is on its way (AB 167 is now available on Folio).

I have spoken with Rep. Leibham's staff (Dan Lindstedt) who verified that Rep. Leibham wants to offer an amendment to AB 58. That amendment would change the 35 mph to 25 mph AND would allow municipalities to designate some (but not necessarily all) higher speed limit roads on which the vehicles can operate. Please let LRB know that this is a *rush* and that the hard copy of the amendment should be delivered to Rep. Leibham's office (123 W) but that electronic copies should be delivered to both Rep.Stone@legis.state.wi.us and to Rep.Leibham@legis.state.wi.us.

Thank you!

Office of Rep. Stone

Tami,

Can I get a copy of AB 167 and the fiscal estimate? Thanks.

Also, does Jeff want an amendment on AB 58 to change the 35 mph to 25 mph and to allow municipalities to designate some (but not necessarily all) higher speed limit roads on which the vehicles can operate? If so, will you be contacting LRB or do you want me to do so?
