Rex,

Greetings! I was the co-drafter of these bills and will be handling two of the more transportation-related amendments. The outline of the amendments are as follows:

1. require company must have a passenger's bill of rights (approved by legislative committee with administrative rules) before the tax provisions occur.
2. require company to expand its operation into underserved areas of the state (to be reviewed by DOT or administrative rules)

Could you give me a call when you have a chance to discuss these. Thanks, Rex. I know you have a lot on your plate with work and the upcoming primary. Please hang in there!

Peace, Tim
