LRB-1467/1dn  
ARG:wlj:jf

January 12, 2001

The attached redraft of 1999 AB-172 incorporates both assembly amendment 1 and assembly amendment 2 from last session. Because of the incorporation of these amendments into the new bill, I have divided proposed s. 125.06 (13) into paragraphs (a) and (b). Paragraph (b) contains last session's assembly amendment 2, which allows municipalities to override the effect of the statute. I have inserted after "Notwithstanding" in paragraph (b) the language "par. (a) of this subsection and" to avoid any perceived conflict between paragraphs (a) and (b). I have also eliminated in paragraph (b) the term "by regulation."
