Referred to Committee on State Affairs.

REGEN

1 AN ACT to create 125.06 (13) of the statutes; relating to: allowing a "Class A"
2 licensee to provide wine free of charge for consumption on the licensee's
3 premises.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, no owner, lessee, or person in charge of a public place may allow the consumption of alcohol beverages on the premises unless that owner, lessee, or person in charge holds the appropriate license or permit. A "Class A" license authorizes the license holder to sell wine or liquor at retail for consumption only off the licensed premises. A "Class B" license authorizes the license holder to sell alcohol beverages at retail for consumption on or off the licensed premises.

This bill allows a "Class A" license holder to provide two wine taste samples of not more than three fluid ounces each, free of charge, for consumption on the licensed premises between the hours of 10 a.m. and 6 p.m.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 125.06 (13) of the statutes is created to read:
5 125.06 (13) WINE SAMPLING ON "CLASS A" PREMISES. (a) The provision of wine taste
6 samples of not more than 3 fluid ounces each, free of charge, by a "Class A" licensee

NOT
The bill also allows municipalities to override the effect of the statute and prohibit the provision of wine taste samples by "Class A" licensees.

ASSEMBLY BILL 172

2 may provide more than 2 taste samples per day to any one person. This subsection

The attached redraft of 1999 AB ¹172 incorporates both assembly amendment 1 and assembly amendment 2 from last session. Because of the incorporation of these amendments into the new bill, I have divided proposed s. 125.06 (13) into paragraphs (a) and (b). Paragraph (b) contains last session's assembly amendment 2, which allows municipalities to override the effect of the statute. I have inserted after "Notwithstanding" in paragraph (b) the language "par. (a) of this subsection and" to avoid any perceived conflict between paragraphs (a) and (b). I have also eliminated in paragraph (b) the term "by regulation."
