2 questionnaires of pupils and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill requires school boards to make available to their pupils' parents or guardians all instructional material that will be used in connection with any written or recorded survey or questionnaire of pupils. The bill also prohibits any official, employee, or agent of a school board from conducting any written or recorded survey or questionnaire of pupils that may reveal information with respect to a pupil or the pupil's family about political affiliations, mental or psychological problems, sexual behavior or attitudes, illegal or antisocial behavior, critical appraisals of individuals with whom the family has close family relationships, privileged relationships, income, or religious beliefs or practices, without the pupil's consent if he or she is an adult or emancipated minor, or without the consent of the pupil's parent or guardian if the pupil is an unemancipated minor.

The bill requires consent for each survey or questionnaire that is conducted. A request for consent, along with a copy of the survey or questionnaire, must be mailed at least ten days before conducting the survey or questionnaire. Consent is considered to have been given if the pupil or the pupil's parent or guardian fails to respond to the request before the date of the survey or questionnaire.

The bill directs each school board to notify annually the pupils enrolled in the school district and their parents or guardians of the above provisions. The bill provides a forfeiture (civil penalty) for those school board officers, employees, or agents who require pupils to participate in a survey or questionnaire that may reveal
