1 **AN ACT to amend** 165.755 (1) (b), 218.0161, 302.46 (1) (a), 341.15 (3) (intro.), (a)
2 and (b), 757.05 (1) (a), 814.63 (1) (c), 814.63 (2), 814.634 (1) (a), 814.635 (1) and

4 **to:** proper display of a registration plate and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, a registration plate must be placed at the front and the back of a motor vehicle, with certain exceptions. Each plate must be affixed firmly and horizontally and must be kept legible and unobstructed. The penalty for failing to display a plate in a proper condition is a forfeiture of not more than \$200, plus court costs.

This bill specifically prohibits the use of any tinted cover or of any bracket or clear cover that interferes with the legibility and normal reading of any registration plate. The bill provides that any person who operates a vehicle with an offending bracket or cover may be required to forfeit \$20, without court costs, for a first offense and not more than \$200, plus court costs, for a second or subsequent violation within one year. In addition, the bill provides that the same penalties apply for failing to display a plate in proper condition, including no court costs for a first violation.

The bill also requires motor vehicle dealers to ensure that vehicles are equipped with brackets that comply with the requirements of this bill before a motor vehicle can be sold. A motor vehicle dealer may be required to forfeit not less than \$10 nor more than \$200 for each violation.

ASSEMBLY BILL 150

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
