## 2001 ASSEMBLY BILL 151

February 23, 2001 – Introduced by Representatives Wade, Freese, Albers, Gunderson, Townsend and Musser, cosponsored by Senators Welch and Schultz. Referred to Committee on Veterans and Military Affairs.

- 1 AN ACT *to amend* 20.505 (1) (ng) (title); and *to create* 16.40 (23) and 20.505 (1)
- 2 (nh) of the statutes; **relating to:** proceeds from the sale of forest products at
- 3 Badger Army Ammunition Plant and making an appropriation.

## Analysis by the Legislative Reference Bureau

Current federal law authorizes the sale of forest products produced on land owned or leased by a federal military department. The state in which the military installation or facility from which the forest products are sold is located is entitled to a portion of the proceeds of the sale. The state's share must be used to benefit the public schools and public roads of the county in which the military installation or facility is situated.

This bill appropriates all moneys received by the state under this federal law from the sale of forest products at Badger Army Ammunition Plant in Sauk County to the department of administration (DOA). The bill directs DOA to distribute 50% of the amount received to the school districts located in Sauk County and the other 50% to Sauk County for the benefit of the public roads in that county.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
