Melissa,

I received a call this afternoon from Linda in Rep. Owens' office, advising that they would like a substitute amendment identical to the sub I prepared for your office on SB-38 (school crossings), to go along with the companion bill in the assembly (AB-211). Linda advised that she had already cleared the "companion sub" with your office. Can you please confirm that I am authorized to prepare an identical sub for Rep. Owens for the companion bill in the assembly? Thank you. Aaron
