

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2207/1dn  
MDK:hmh:pg

February 4, 2001

Representative Ladwig:

Please review this bill very carefully to make sure that it achieves your intent. In particular, please note the following:

1. I assume that you don't want to charge a fee for a shampoo certificate and that a certificate doesn't have to be renewed. However, I'm not sure about your intent. Also, I think that the examining board or DORL will argue that, because the bill requires the examining board to review an application for a shampoo certificate, the applicant should be required to pay a fee that covers the expenses in doing the review. You may want to have DORL review the bill and get its input on the fee issue.
2. I included a delayed effective date (4 months) in order to give the examining board and DORL time to prepare for the new requirements regarding the shampoo certificate. Is this okay?

Please contact me if you have any questions or redraft instructions.
