

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0603/1dn
TNF:hmh:pg

June 12, 2001

ATTN: Representative Wade

This amendment replaces “standards” with “procedures” with respect to the measurement of noise levels of snowmobiles and the granting of rule-making authority for such measurements. Neither 2001 Assembly Bill 239 nor this amendment contains any provision that changes the decibel levels for snowmobiles specified under current law.
