

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0998/1dn
MES:kmg:km

November 20, 2000

This bill is based on 1999 LRB-4885/2, the last version of the bill that you requested last session, although it incorporates the changes that you requested on the marked-up copy of 1999 LRB-4885/1 which you sent to me. The "/2" version of LRB-4885, and this bill, amends s. 17.16 (3). Is this bill consistent with your intent, or do you want the amendment of s. 17.16 (3) removed from the bill?
