***Analysis by the Legislative Reference Bureau***

***Time limits for prosecuting sexual assault***

Current law provides time limits for commencing the prosecution of most crimes, including sexual assault. The state must initiate prosecution within the time limit or is barred from prosecuting the offense. A prosecution is commenced when a court issues a summons or a warrant for arrest, when a grand jury issues an

**ASSEMBLY BILL 291**

indictment, or when a district attorney files an information alleging that a person committed a specific crime. Time during which a defendant is either a nonresident of the state or is secretly a resident in concealment is not calculated as part of the time limit.

Under current law, the state must prosecute first and second degree sexual assault within six years of the date of the crime. The state must prosecute first and second degree sexual assault of a child, as well as repeated sexual assault of the same child, before the victim reaches the age of 31.

This bill creates an exception to the time limits for prosecuting the crimes of sexual assault, sexual assault of a child, and repeated sexual assault of the same child in certain circumstances if the state has deoxyribonucleic acid (DNA) evidence related to the crime. If the state collects and analyzes DNA evidence related to the crime before the time limit for prosecution expires and does not link the DNA evidence to an identified person until after the time limit expires, the state may initiate prosecution for the crime within one year of matching the DNA evidence to a known person.

***Postconviction deoxyribonucleic acid testing***

Current law provides several options for a person who is convicted of a crime, found not guilty by reason of mental disease or defect, or adjudicated delinquent to challenge his or her conviction, finding of not guilty by reason of mental disease or defect, or delinquency adjudication:

1. The person may file a motion for relief with the trial court, and upon losing the postconviction motion in the trial court may appeal to the appellate court. In some cases the person may bypass the trial court and proceed directly to the appellate court. To initiate either a request for relief from the trial court or to initiate an appeal the person must serve notice of intent to pursue postconviction relief within 20 days of sentencing.

2. The person may file a motion for a new trial on the basis of newly discovered evidence up to one year after a verdict is entered. In order to obtain a new trial the person must show that the new evidence came to the person's attention after the trial, the failure to discover the evidence was not due to lack of diligence, the evidence is material and not cumulative, and the new evidence would probably change the outcome.

3. At any time, a person serving time in prison under a sentence imposed by a state circuit court, or a person serving time under the volunteer probation program for a misdemeanor, who has exhausted direct appeal rights, may file a motion for release from custody under the state postconviction relief law if the person alleges that the sentence was imposed in violation of the U.S. or Wisconsin constitution, or in violation of other state law. In order to prevail on a motion for postconviction relief the person must have raised the issues contained in the motion for postconviction relief at trial or on appeal. A person may not make successive motions for postconviction relief.

4. At any time, a person whose liberty is restrained may seek state habeas corpus relief if the restraint of liberty is imposed in violation of the U.S. or Wisconsin

**ASSEMBLY BILL 291**

constitution or in violation of the sentencing court's jurisdiction, and if no other adequate legal remedy is available to the person.

This bill provides an additional avenue to challenge a conviction, finding of not guilty by reason of mental disease or defect, or delinquency adjudication. The bill authorizes a person who was convicted of a crime, found not guilty by reason of mental disease or defect, or adjudicated delinquent to file a motion for testing of DNA evidence if 1) the evidence is relevant to the conviction, finding of not guilty by reason of mental disease or defect, or delinquency adjudication, 2) the evidence is in the possession of a government agency or court, and 3) the evidence was not previously subjected to DNA testing or was tested with a less advanced method than is currently available. An indigent person making a motion for postconviction DNA testing may be represented by a public defender.

The bill also establishes standards for courts to apply in determining whether to order testing of DNA evidence. A court must order testing if all of the following conditions exist: 1) it is reasonably probable that the person seeking testing would not have been convicted, found not guilty by reason of mental disease or defect, or adjudicated delinquent, if exculpatory DNA testing results had been available; 2) the evidence is in the actual or constructive possession of a government agency; 3) the chain of custody of the evidence establishes that it has not been tampered with, or testing can establish the integrity of the evidence; and 4) the evidence has not previously been tested, or was tested with a less advanced method of analysis. Whether to order testing is left to the discretion of the court if conditions 2), 3), and 4) are met and if the court finds that the outcome of a criminal or delinquency proceeding, including the sentence or other disposition, would have been more favorable to the person seeking testing of evidence, if DNA analysis had been available in the criminal or delinquency proceeding. If the person seeking testing is indigent or if the court determines that the person does not have the financial resources to pay for testing, the state is required to pay for testing.

Upon receiving test results that support the person's claim of innocence, the court is required to vacate the conviction, judgment of not guilty by reason of mental disease or defect, or delinquency adjudication, release the person from custody, grant a new trial, or grant a new sentencing hearing. If the person is committed to an institution as a sexually violent person, the court may vacate the commitment order, reverse the finding that the person is sexually violent, or grant the person a new trial to determine whether the person is a sexually violent person.

The bill directs courts, law enforcement agencies, district attorneys, and the state crime laboratories to preserve biological specimen evidence if a person in custody could potentially be exonerated as a result of DNA testing of the evidence and if the person in custody has not waived his or her right to preserve the evidence.

***Use of deoxyribonucleic acid testing evidence at trial***

Current law provides separate discovery rules for use of DNA evidence in a criminal or delinquency proceeding. The rules include a definition for DNA evidence that applies only to evidence obtained by using the restriction fragment length polymorphism (RFLP) technique of DNA analysis. More recently adopted DNA

**ASSEMBLY BILL 291**

1           **(3)** Subject to sub. (5), a law enforcement agency may destroy biological  
2 material before the expiration of the time period specified in sub. (2) if all of the  
3 following apply:

4           (a) The law enforcement agency sends a notice of its intent to destroy the  
5 biological material to all persons who remain in custody as a result of the criminal  
6 conviction, delinquency adjudication, or commitment, and to either the attorney of  
7 record for each person in custody or the state public defender.

8           (b) No person who is notified under par. (a) does either of the following within

18 filed under s. 974.07 (2) or a written request to preserve the material is submitted  
19 to the law enforcement agency.

20           **(5)** If, after providing notice under sub. (3) (a) of its intent to destroy biological  
21 material, a law enforcement agency receives a written request to preserve the  
22 material, the law enforcement agency shall preserve the material until the discharge  
23 date of the person who made the request or on whose behalf the request was made,

12 after a copy has been served upon the attorney representing the defendant, or upon  
13 the defendant if he or she appeared without counsel. Service of such an order shall  
14 be complete upon mailing. A defendant appearing without counsel shall supply the  
15 court with his or her current mailing address. If the defendant fails to supply the  
16 court with a current and accurate mailing address, failure to receive a copy of the  
17 order granting or denying relief shall not be a ground for tolling the time in which  
18 an appeal must be taken.

12 **SECTION 31.** 971.23 (9) of the statutes is created to read:

13 971.23 **(9)** DEOXYRIBONUCLEIC ACID EVIDENCE. (a) In this subsection  
14 “deoxyribonucleic acid profile” has the meaning given in s. 939.74 (2d) (a).

15 (b) Notwithstanding sub. (1) (e) or (2m) (am), if either party intends to submit  
16 deoxyribonucleic acid profile evidence at a trial to prove or disprove the identity of

18 the intent to introduce the evidence in writing by mail at least 45 days before the date  
19 set for trial; and shall provide the other party, within 15 days of request, the material  
20 identified under sub. (1) (e), or par. (2m) (am), whichever is appropriate, that relates  
21 to the evidence.

22 (c) The court shall exclude deoxyribonucleic acid profile evidence at trial, if the

24 waive the 45 day notice requirement or may extend the 15 day production  
25 requirement upon stipulation of the parties, or for good cause, if the court finds that

**ASSEMBLY BILL 291**

1 no party will be prejudiced by the waiver or extension. The court may in appropriate

15 a judgment of conviction or from an order denying a postconviction motion or from  
16 both shall be taken in the time and manner provided in ss. 808.04 (3), 809.30 and  
17 809.40. An appeal of an order or judgment on habeas corpus remanding to custody

24 **SECTION 36.** 974.07 of the statutes is created to read:

**ASSEMBLY BILL 291**

1           **974.07 Motion for postconviction deoxyribonucleic acid testing of**  
2 **certain evidence. (1)** In this section:

3           (a) “Movant” means a person who makes a motion under sub. (2).

4           (b) “Government agency” means any department, agency, or court of the federal  
5 government, of this state, or of a city, village, town, or county in this state.

6           **(2)** At any time after being convicted of a crime, adjudicated delinquent, or  
7 found not guilty by reason of mental disease or defect, a person may make a motion  
8 in the court in which he or she was convicted, adjudicated delinquent, or found not  
9 guilty by reason of mental disease or defect for an order requiring forensic  
10 deoxyribonucleic acid testing of evidence to which all of the following apply:

11           (a) The evidence is relevant to the investigation or prosecution that resulted  
12 in the conviction, adjudication, or finding of not guilty by reason of mental disease  
13 or defect.

14           (b) The evidence is in the actual or constructive possession of a government  
15 agency.

16           (c) The evidence has not previously been subjected to forensic deoxyribonucleic  
17 acid testing or, if the evidence has previously been tested, it may now be subjected  
18 to another test using a scientific technique that was not available or was not utilized  
19 at the time of the previous testing and that provides a reasonable likelihood of more  
20 accurate and probative results.

21           **(3)** A movant or, if applicable, his or her attorney shall serve a copy of the  
22 motion made under sub. (2) on the district attorney’s office that prosecuted the case  
23 that resulted in the conviction, adjudication, or finding of not guilty by reason of  
24 mental disease or defect. The court in which the motion is made shall also notify the  
25 appropriate district attorney’s office that a motion has been made under sub. (2) and

**ASSEMBLY BILL 291**

1 shall give the district attorney an opportunity to respond to the motion. Failure by  
2 a movant to serve a copy of the motion on the appropriate district attorney's office  
3 does not deprive the court of jurisdiction and is not grounds for dismissal of the  
4 motion.

5 (4) (a) The clerk of the circuit court in which a motion under sub. (2) is made  
6 shall send a copy of the motion and, if a hearing on the motion is scheduled, a notice  
7 of the hearing to the victim of the crime or delinquent act committed by the movant,  
8 if the clerk is able to determine an address for the victim. The clerk of the circuit court  
9 shall make a reasonable attempt to send the copy of the motion to the address of the  
10 victim within 7 days of the date on which the motion is filed and shall make a  
11 reasonable attempt to send a notice of hearing, if a hearing is scheduled, to the  
12 address of the victim, postmarked at least 10 days before the date of the hearing.

13 (b) Notwithstanding the limitation on the disclosure of mailing addresses from  
14 completed information cards submitted by victims under ss. 51.37 (10) (dx), 301.046  
15 (4) (d), 301.048 (4m) (d), 301.38 (4), 302.115 (4), 304.06 (1) (f), 304.063 (4), 938.51 (2),  
16 971.17 (6m) (d), and 980.11 (4), the department of corrections, the parole commission,  
17 and the department of health and family services shall, upon request, assist clerks  
18 of court in obtaining information regarding the mailing address of victims for the  
19 purpose of sending copies of motions and notices of hearings under par. (a).

20 (5) Upon receiving under sub. (3) a copy of a motion made under sub. (2) or  
21 notice from a court that a motion has been made, whichever occurs first, the district  
22 attorney shall take all actions necessary to ensure that all biological material that  
23 was collected in connection with the investigation or prosecution of the case and that  
24 remains in the actual or constructive custody of a government agency is preserved  
25 pending completion of the proceedings under this section.

**ASSEMBLY BILL 291**

1           **(6)** (a) Upon demand the district attorney shall disclose to the movant or his  
2 or her attorney whether biological material has been tested and shall make available  
3 to the movant or his or her attorney the following material:

4           1. Findings based on testing of biological materials.

5           2. Physical evidence that is in the actual or constructive possession of a  
6 government agency and that contains biological material or on which there is  
7 biological material.

8           (b) Upon demand the movant or his or her attorney shall disclose to the district  
9 attorney whether biological material has been tested and shall make available to the  
10 district attorney the following material:

11           1. Findings based on testing of biological materials.

12           2. The movant's biological specimen.

13           (c) Upon motion of the district attorney or the movant, the court may impose  
14 reasonable conditions on availability of material requested under pars. (a) 2. and (b)  
15 2. in order to protect the integrity of the evidence.

16           (d) This subsection does not apply unless the information being disclosed or the  
17 material being made available is relevant to the movant's claim of innocence at issue  
18 in the motion made under sub. (2).

19           **(7)** (a) A court in which a motion under sub. (2) is filed shall order forensic  
20 deoxyribonucleic acid testing if all of the following apply:

21           1. It is reasonably probable that the movant would not have been prosecuted,  
22 convicted, found not guilty by reason of mental disease or defect, or adjudicated  
23 delinquent for the offense at issue in the motion under sub. (2), if exculpatory  
24 deoxyribonucleic acid testing results had been available before the prosecution,  
25 conviction, finding of not guilty, or adjudication for the offense.

**ASSEMBLY BILL 291**

1           2. The evidence is in the actual or constructive possession of a government  
2 agency.

3           3. The chain of custody of the evidence to be tested establishes that the evidence  
4 has not been tampered with, replaced, or altered in any material respect or, if the  
5 chain of custody does not establish the integrity of the evidence, the testing itself can  
6 establish the integrity of the evidence.

7           4. The evidence has not previously been subjected to forensic deoxyribonucleic  
8 acid testing or, if the evidence has previously been tested, it may now be subjected  
9 to another test using a scientific technique that was not available or was not utilized  
10 at the time of the previous testing and that provides a reasonable likelihood of more  
11 accurate and probative results.

12           (b) A court in which a motion under sub. (2) is filed may order forensic  
13 deoxyribonucleic acid testing if all of the following apply:

14           1. The conviction or sentence in a criminal proceeding, the finding of not guilty  
15 by reason of mental disease or defect, the commitment under s. 971.17, or the  
16 adjudication or disposition in a proceeding under ch. 938, would have been more  
17 favorable to the movant if the results of deoxyribonucleic acid testing had been  
18 available before he or she was prosecuted, convicted, found not guilty by reason of  
19 mental disease or defect, or adjudicated delinquent for the offense.

20           2. The evidence is in the actual or constructive possession of a government  
21 agency.

22           3. The chain of custody of the evidence to be tested establishes that the evidence  
23 has not been tampered with, replaced, or altered in any material respect or, if the  
24 chain of custody does not establish the integrity of the evidence, the testing itself can  
25 establish the integrity of the evidence.

**ASSEMBLY BILL 291**

1           4. The evidence has not previously been subjected to forensic deoxyribonucleic  
2 acid testing or, if the evidence has previously been tested, it may now be subjected  
3 to another test using a scientific technique that was not available or was not utilized  
4 at the time of the previous testing and that provides a reasonable likelihood of more  
5 accurate and probative results.

6           **(8)** The court may impose reasonable conditions on any testing ordered under  
7 this section in order to protect the integrity of the evidence and the testing process.  
8 If appropriate and if stipulated to by the movant and the district attorney, the court  
9 may order the state crime laboratories to perform the testing as provided under s.  
10 165.77 (2m).

11           **(9)** If a court in which a motion under sub. (2) is filed does not order forensic  
12 deoxyribonucleic acid testing, or if the results of forensic deoxyribonucleic acid  
13 testing ordered under this section are not supportive of the movant's innocence  
14 claim, the court shall determine the disposition of the evidence specified in the  
15 motion subject to the following:

16           (a) If a person other than the movant is in custody, as defined in s. 968.205 (1)  
17 (a), the evidence is relevant to the criminal, delinquency, or commitment proceeding  
18 that resulted in the person being in custody, the person has not been denied  
19 deoxyribonucleic acid testing or postconviction relief under this section, and the  
20 person has not waived his or her right to preserve the evidence under s. 165.81 (3),  
21 757.54 (2), 968.205, or 978.08, the court shall order the evidence preserved until all  
22 persons entitled to have the evidence preserved are released from custody, and the  
23 court shall designate who shall preserve the evidence.

24           (b) If the conditions in par. (a) are not present, the court shall determine the  
25 disposition of the evidence, and, if the evidence is to be preserved, by whom and for

**ASSEMBLY BILL 291**

1       how long. The court shall issue appropriate orders concerning the disposition of the  
2       evidence based on its determinations.

3               **(10)** (a) If the results of forensic deoxyribonucleic acid testing ordered under  
4       this section support the movant's claim of innocence, the court shall schedule a  
5       hearing to determine the appropriate relief to be granted to the movant. After the  
6       hearing, and based on the results of the testing and any evidence or other matter  
7       presented at the hearing, the court shall enter any order that serves the interests of  
8       justice, including any of the following:

9               1. An order setting aside or vacating the movant's judgment of conviction,  
10       judgment of not guilty by reason of mental disease or defect, or adjudication of  
11       delinquency.

12              2. An order granting the movant a new trial or fact-finding hearing.

13              3. An order granting the movant a new sentencing hearing, commitment  
14       hearing, or dispositional hearing.

15              4. An order discharging the movant from custody, as defined in s. 968.205 (1)  
16       (a), if the movant is in custody.

17              5. An order specifying the disposition of any evidence that remains after the  
18       completion of the testing, subject to sub. (9) (a) and (b).

19              (b) A court may order a new trial under par. (a) without making the findings  
20       specified in s. 805.15 (3) (a) and (b).

21              **(11)** A court considering a motion made under sub. (2) by a movant who is not  
22       represented by counsel shall, if the movant claims or appears to be indigent, refer the  
23       movant to the state public defender for determination of indigency and appointment  
24       of counsel under s. 977.05 (4) (j).

**ASSEMBLY BILL 291****SECTION 36**

1           **(12)** (a) The court may order a movant to pay the costs of any testing ordered  
2 by the court under this section if the court determines that the movant is not  
3 indigent. If the court determines that the movant is indigent, the court shall order  
4 the costs of the testing to be paid for from the appropriation account under s. 20.410  
5 (1) (be).

6           (b) A movant is indigent for purposes of par. (a) if any of the following apply:

7           1. The movant was referred to the state public defender under sub. (11) for a  
8 determination of indigency and was found to be indigent.

9           2. The movant was referred to the state public defender under sub. (11) for a  
10 determination of indigency but was found not to be indigent, and the court  
11 determines that the movant does not possess the financial resources to pay the costs  
12 of testing.

13           3. The movant was not referred to the state public defender under sub. (11) for  
14 a determination of indigency and the court determines that the movant does not  
15 possess the financial resources to pay the costs of testing.

16           **(13)** An appeal may be taken from an order entered under this section as from  
17 a final judgment.

18           **SECTION 37.** 977.07 (1) (b) of the statutes is amended to read:

19           977.07 **(1)** (b) For referrals not made under ss. 809.30 ~~and~~, 974.06 and 974.07,
