

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2511/1dn  
RJM:wlj:pg

February 20, 2001

Representative Jeskewitz:

Per your instructions, this bill is the same as 1999 ASA-1 to 1999 SB-274, except for some minor, technical clarifications (see proposed ss. 222.0201, 222.0303 (2) and (3), 222.0403 (5), (7) (b), and (9), and 222.0413 (title) and (2) (b)). The bill also includes a change to proposed s. 222.0403 (8) (e), to make the paragraph grammatically correct when read with proposed s. 222.0403 (8) (intro.), and includes a chief clerk's correction to the nonstatutory material in the 1999 substitute amendment. Regarding each of these changes, I tried to be sensitive to the fact that, during the previous legislative session, multiple interested parties agreed to the content of the 1999 substitute amendment.

If you have any questions, please feel free to call.
