

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2157/1dn

January 19, 2001

Representative Freese:

Please note that, if the use of punch card voting systems is to be eliminated, there are several references in the statutes to the use of these ballots that should be deleted. Thus, to fully effect your intent, it may be necessary to enact a bill that eliminates the use of punch card voting systems rather than to simply allow the elections board to do so under current procedures. If you would like to have a bill drafted to this effect or would like to discuss this issue, please feel free to call.
