

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0693/1dn  
RAC:kmg:kjf

October 2, 2001

Please note that there may be moneys in certain program revenue appropriations that, under the U.S. and Wisconsin constitutions, may not be spent for purposes other than for which the moneys were originally appropriated. In implementing the bill, therefore, the secretary of administration will have to determine which appropriations are subject to constitutional restrictions and may not have moneys in them lapsed to the general fund. If you wish, I can specifically provide in the bill that the secretary may not lapse any moneys from a program revenue appropriation whose lapse would violate the U.S. or Wisconsin constitutions. Please advise.
