<b>Subject</b> Public contracts; prohibit contractors from discriminating against non-union sub-contractors		

**Assumptions Used in Arriving at Fiscal Estimate**

No data has been collected on the experience of letting local contracts by the Department of Administration. A similar change in contracting requirements has been reviewed by the Division of Facilities Development which concluded the changes to the contract process would have no fiscal effect. This bill permits certain lawsuits and mandates the award of the costs of such suits. No data is available on this potential cost.

**Long-Range Fiscal Implications**

Unknown.
