Milwaukee County claim				

Assumptions Used in Arriving at Fiscal Estimate

This bill directs the department of administration to pay \$50,119 from its appropriation under 20.505(4)(d), a sum-sufficient GPR appropriation, to Milwaukee county as compensation for the reprinting of ballots as ordered by the elections board in 1988.

On February 5, 1990, the claims board recommended approval of the county's claim.

There is insufficient existing expenditure authority in this appropriation to pay this claim. If passed, this bill will require the department to re-estimate authority upward by \$27,000 GPR.

Long-Range Fiscal Implications

None.
