### ***Analysis by the Legislative Reference Bureau***

Currently, every school board and the governing body of every private school must display the U.S. flag in the schoolroom or on a flagstaff located on school grounds. Beginning in the 2005–06 school year, this bill requires, instead, that the flag be displayed in every public and private school classroom.

Currently, every public and private school must offer the pledge of allegiance in grades one to eight at the beginning of school at least one day per week. However, no pupil may be compelled to recite the pledge. This bill requires that the pledge of allegiance or the national anthem be offered in grades one to 12 each school day. No pupil may be compelled to recite the pledge or sing the anthem.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
