Reger

1 AN ACT to repeal 948.60 (1) of the statutes; relating to: possession of a
2 dangerous weapon by a minor and providing a penalty. ✓

Analysis by the Legislative Reference Bureau

Current law provides penalties for various kinds of conduct involving a dangerous weapon, such as endangering safety by the use of a dangerous weapon, * carrying a concealed dangerous weapon, and committing other crimes while * possessing, using, or threatening to use a dangerous weapon. For purposes of these penalty provisions, "dangerous weapon" is usually defined to include all of the following: 1) a firearm, whether loaded or unloaded; 2) an electric weapon; 3) a device designed as a weapon and capable of producing death or great bodily harm; and 4) any other device or instrumentality ~~which~~, in the manner it is used or intended to be used, is calculated or likely to produce death or great bodily harm.

that

However, the current law relating to possession of a dangerous weapon by a minor (a person under 18 years of age) uses a different, narrower definition of "dangerous weapon". * Under this law, no minor may possess or go armed with a dangerous weapon and no person may intentionally sell, loan, or give a dangerous * weapon to a minor, except that a minor may possess or be given a dangerous weapon for purposes of using the weapon to hunt, to engage in target practice under the * supervision of an adult, or to participate in a course of instruction in the traditional and proper use of the weapon under the supervision of an adult. For purposes of this law, "dangerous weapon" means any of the following: 1) a firearm, whether loaded or unloaded; 2) an electric weapon; 3) metallic knuckles or knuckles of any substance which could be put to the same use with the same or similar effect as metallic
