

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1031/2dn

February 8, 2001

Representative Schneider:

This draft appropriates GPR moneys instead of SEG moneys for the grant program. The draft does not, however, specifically earmark proceeds from the liquor tax for the program because I cannot draft such a provision without knowing the amount of the liquor tax proceeds you wish to use for the program. However, because the proceeds from the liquor tax are currently deposited in the general fund, and thus are GPR moneys, it is not necessary to specifically earmark the liquor proceeds for the grant program.

Please review this draft carefully to make sure it achieves your intent. If you have any questions, please do not hesitate to contact me.
