Representative Sykora:

Assembly bill 362 requires a nonresident to sign a statement indicating that the fireworks the person is purchasing are for use outside of this state. See proposed s. 167.10 (2) (d). However, the bill also amends s. 167.10 (4) to say that nothing in s. 167.10 prohibits a resident wholesaler or jobber from selling fireworks to a nonresident. This amendment clarifies that the signed statement requirement applies to all nonresidents who purchase fireworks, including those who purchase fireworks from a resident wholesaler or jobber. Please let me know if you have any questions or desire any changes.
