

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2507/2dn
PJK:jld:pg

April 2, 2001

I have expanded the applicability of the requirement so that HIRSP, any risk-sharing plans created under ch. 619, and self-insured plans of the state, municipalities, and school districts, regardless of the type of coverage, are specifically covered under the bill. Programs such as BadgerCare and Medical Assistance are not included.
