

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0709/1dn
MDK:jld:jf

October 5, 2001

Representative Seratti:

In addition to making the changes requested by the PSC, this amendment makes a slight change to the end of the second sentence in proposed s. 196.197 (2) (a). I think the additional change is consistent with the PSC's request, and it makes the sentence less wordy.
