

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2340/1dn  
JTK:kmg:pg

March 19, 2001

Representative Johnsrud:

1. This draft applies to federal and state highways and portions thereof, but does not apply to numeric or alphanumeric designations. Please let me know if this is not in accord with your intent.
2. In order not to burden the legislature with naming bills and to allow some buildings, structures, facilities, or properties to be named after a period of years from the time that they are built or acquired, you may wish to allow a state agency having exclusive jurisdiction over a state-owned building, structure, facility, or property to provisionally name the building, structure, facility, or property with the name of the function that it serves or with the name of a nearby geographic place or feature, until the legislature gets around to formally naming it.
