

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3351/1dn
DAK:hmh:pg

August 7, 2001

To Representative Hundertmark:

I am not certain that this is a problem, but wanted to raise the issue for your consideration: would it be advantageous to have a provision that prohibits the wearing of both a necklace and a bracelet at the same time (to avoid any possible confusion if different language is printed on the two)?

Please let me know if I can provide you with further assistance with respect to this bill.
