, including

Under current law, any group or organization may apply to the department of transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles ~~(they register with DOT)~~. Special plates may be obtained for automobiles, station wagons, motor homes, and certain dual purpose motor homes, farm trucks and dual purpose farm trucks that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing registration plates were specifically enumerated in state law. Current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

Members of ~~authorized~~ special groups ~~related to certain campuses of the University of Wisconsin (UW) System or to the support of endangered or threatened species)~~ pay an additional annual fee as a tax deductible contribution ~~to the UW~~ enumerated in state law

System or to the endangered resources program administered by the department of natural resources.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special distinguishing registration plates supporting Ducks Unlimited, Inc. and its conservation efforts in the United States, Canada and Mexico. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and an additional \$25 annual fee as a tax deductible contribution that provides funds to Ducks Unlimited, Inc., a nonprofit corporation, for its conservation efforts in the United States, Canada and Mexico. Under the bill, Ducks Unlimited, Inc. is required to annually submit an audited financial statement of its use of the funds received from these tax deductible contributions. Funding to Ducks Unlimited, Inc. is discontinued if the nonprofit organization dissolves or loses its tax exempt status under federal law.

1 AN ACT *to amend* 341.14 (6r) (b) 3., 341.14 (6r) (b) 9., 341.14 (6r) (c) and 341.14
2 (6r) (fm) 7.; *to repeal and recreate* 341.14 (6r) (b) 3.; and *to create* 16.40 (25),
3 20.505 (1) (h), 25.40 (1) (a) 22., 341.14 (6r) (b) 9. and 341.14 (6r) (f) 56. of the
4 statutes; **relating to:** special distinguishing registration plates associated
5 with the efforts of the American Red Cross to provide assistance to families
6 affected by the terrorist attacks of September 11, 2001, on New York City and
7 Washington, D.C., and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the department of transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing registration plates were specifically enumerated in state law. Current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

BILL

Members of six special groups enumerated in state law pay an additional annual fee as a tax deductible contribution.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special distinguishing registration plates supporting the efforts of the American Red Cross to provide assistance to families affected by the terrorist attacks of September 11, 2001, on New York City and Washington, D.C. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and an additional \$25 annual fee as a tax deductible contribution that provides funds to the American Red Cross. Under the bill, the American Red Cross is required to submit annually an audited financial statement of its use of the funds received from these tax deductible contributions. The ~~bill~~ also creates a design selection committee (committee) to select the design of the special plate. The committee will accept applications for the design of the special plate for 30 days. The committee is required to make its selection within 14 days of the deadline for submission of applications and to notify DOT of the committee's selection. Finally, the bill provides that DOT may issue the special plates for only one year, although the additional \$25 annual fee as a tax deductible contribution will continue as long as a special group member maintains the plates.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
