

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3888/1dn
PJK:hmh:jf

October 1, 2001

I assume that not all eight (if any) of the technology zones have been designated as yet. Therefore, I kept the total at eight. Let me know, however, if you wanted the Marshfield technology zone to be an additional zone, increasing the total to nine.
