Peter:

Rep. Foti would like a bill to restore the Governor's veto of funds for the WI Chapter of the Boys and Girls Clubs of America. The original provision allocated \$500,000 annually in TANF funds. The veto reduced the amount to \$50,000 annually. Therefore, the bill should provide the vetoed amount of \$450,000 annually.

The veto is on page 97, item #50 of the veto message.

Thanks. Please let me know if you need anything else. Also, please expedite this request.

= Increase 20,445 (3) (m2) \$450,000 each FY 02-03
AM 49,175 (1) (x) ~~50,000~~ 500,000
AM 9158 (8x) ~~50,000~~ 500,000

Currently, the Milwaukee Private Industry Council (PIC) receives \$1,000,000 annually to provide these functions for Milwaukee W-2 agencies. In my proposed budget, I reduced funding for the Milwaukee PIC by \$500,000 each year, with the idea that while this function is valuable, it could be performed at a lower cost. The Legislature removed all funding for the Milwaukee PIC and specified in the budget bill that the department conduct these oversight and coordination activities.

While I believe that these oversight and coordination activities are important, I object to specifying in statute that the department itself must be responsible for performing this function.

I am vetoing this section, but I also am directing the department to either conduct the oversight and coordination activities itself, or contract with a provider to perform this valuable function for Milwaukee W-2 agencies.

50. Community Youth Grants

Sections 1700b and 9158 (8x)

Section 1700b allocates an additional \$500,000 each fiscal year in Temporary Assistance for Needy Families (TANF) funding above what my budget provided for community youth grants. Section 9158 (8x) specifically earmarks the \$500,000 in each fiscal year for grants to the Wisconsin Chapters of the Boys and Girls Clubs of America.

Community youth grants are administered by the Department of Workforce Development and are generally awarded on a competitive basis. The grants are intended to fund programs that improve the social, academic and employment skills of youth who are eligible to receive TANF benefits. For this reason, I do not object to providing some funding for grants to the Boys and Girls Clubs of America. However, I do not agree with earmarking such a large portion of what is essentially a competitive grant program for one organization. Further, the TANF fund is constrained by several spending pressures at this time and cannot support excessive spending on additional programs.

I am partially vetoing the amount earmarked for the Wisconsin Chapter of Boys and Girls Clubs of America in each fiscal year of the 2001-03 biennium, so as to reduce the amount from \$500,000 to \$50,000 in each fiscal year. I am also partially vetoing the amount allocated for community youth grants in fiscal year 2002-03 so as to reduce the amount from \$500,000 to \$50,000. Further, I am requesting the Department of Administration secretary to place \$450,000 into unallotted reserve in appropriation s. 20.445 (3) (md) in 2002-03. This veto will have the effect of providing \$50,000 in each fiscal year specifically for grants to the Wisconsin Chapter of Boys and Girls Clubs of America, and of adding \$450,000 in fiscal year 2002-03 to the TANF balance.
