1 **AN ACT to create** 77.54 (46) of the statutes; **relating to:** exempting from the sales
2 tax and the use tax certain products that are solar powered or wind powered.

Analysis by the Legislative Reference Bureau

This bill creates a sales tax and a use tax exemption for a product, other than an uninterruptible power source for computers, whose power source is wind energy or direct radiant energy received from the sun if the product produces at least 200 watts of alternating current.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
