

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3738/1dn
RNK:wlj:pg

September 28, 2001

You requested that this draft provide funding from the forestry account of the conservation fund for the renovation of the Atlas Mill. Because the forestry account is not a statutory account, the draft does not refer specifically to that account. The draft provides instead that the renovation is funded from the conservation fund.

If you have any questions concerning this draft, please feel free to contact me.
