For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

You requested that this draft provide funding for the renovation of the Atlas Mill from the forestry account of the conservation fund. Because the forestry account is not a statutory account, the draft does not refer specifically to that account. The draft provides instead that the renovation is funded from the conservation fund.
