Assumptions Used in Arriving at Fiscal Estimate

AB 646 provides that certain limited term employees (LTEs) may be eligible for sick leave, vacation and other leave types. AB 646 impacts the Department's programs only in regard to sick leave conversion credits. However, since LTEs are by their nature, limited in the length and percentage of their employment, their potential accumulations of sick leave for purposes of accumulated sick leave conversion credits (ASLCC) would be so small as to be insignificant in the calculation of ASLCC contributions by the agencies.
