

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa1198/1dn
PJK:hmh:pg

January 29, 2002

Note that one of the considerations for overcoming the presumption under s. 767.24 (2) (d) 1. a. is that the batterer has completed a certified treatment program for batterers. Do you want to add the "certified provider" concept that was added to s. 767.24 (6) (g) 4.? Does the language that was added to s. 767.24 (6) (g) 4. for a certified provider accomplish what you want?
