## Fiscal Estimate Narratives DOJ 12/5/01

LRB Number <b>01-3791/1</b>	Introduction Number A	B-661	Estimate Type	Original							
Subject											
Penalty for possession, in the presence of children, of drug paraphernalia for making methamphetamine											

## Assumptions Used in Arriving at Fiscal Estimate

This bill allows prosecutors to charge a person with a higher penalty if a child is present at a methamphetamine lab. This should have no fiscal effect on either state or local governments.

**Long-Range Fiscal Implications**
