- 1 939.22 (19m) of the statutes; **relating to:** intoxicated operation of a motor
- 2 vehicle and providing a penalty.

Analysis by the Legislative Reference Bureau

This ~~is a preliminary draft. An analysis will be provided in a later version.~~
For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

PREFATORY NOTE: This bill was prepared for the special committee on recodification of operating while intoxicated and safety laws pertaining to motor vehicle, all-terrain vehicle, boat or snowmobile operation. The special committee was directed to study current statutes relating to operating a vehicle while under the influence of an intoxicant or drug and to reorganize, simplify, modernize and clarify these statutes and make minor substantive changes necessary to effect these goals. In addition, the special committee was directed to study, with respect to an all-terrain vehicle, a boat, or a snowmobile, whether enforcement mechanisms need to be increased or created to ensure compliance with the law.

This bill creates a definition of the terms "intoxicant" and "under the influence of an intoxicant" for use in the motor vehicle code. Most of the SECTIONS of this bill are concerned with the use of these terms and a description of this issue can be found in the note following SECTION 4 of the bill. Other changes to the statutes made in the bill are identified in notes to the provisions affected.

- 3 SECTION ~~1~~ 340.01 (5u) ^{are} of the statutes ~~is~~ created to read:
- 4 340.01 (5u) "Bodily harm" means physical pain or injury, illness, or any
- 5 impairment of physical condition.

6 ~~SECTION 2 340.01 (19d) of the statutes is created to read:~~

- 7 ~~SECTION~~ (19d) "Great bodily harm" means bodily injury which creates a
- 8 substantial risk of death, or which causes serious permanent disfigurement, or
- 9 which causes a permanent or protracted loss or impairment of the function of any
- 10 bodily member or organ or other serious bodily injury.

NOTE: This SECTION creates definitions for "bodily harm" and "great bodily harm," using definitions currently set forth in s. 939.22 (4) and (14).

- 11 SECTION 3. 340.01 (25d) and (73e) of the statutes are created to read:
- 12 340.01 (25d) "Intoxicant" means any of the following:

1 (a) Alcohol, a controlled substance, a controlled substance analog, any other
2 drug, or a vapor-releasing substance.

3 (b) Any combination of alcohol, a controlled substance, a controlled substance
4 analog, any other drug, or a vapor-releasing substance.

5 (73c) "Under the influence of an intoxicant" means a condition in which a
6 person's ability to operate a motor vehicle, because of the consumption of an
7 intoxicant, is impaired to the extent that the person is less able to exercise the clear
8 judgment and steady hand necessary to handle and control a motor vehicle.

or use

NOTE: Current law treats the issue of operating a motor vehicle while intoxicated using various terms, often inconsistently. The terms used are "intoxicant", "alcohol", "controlled substance", "controlled substance analog" and "other drug". In the following sections of the statutes, the terms "alcohol", "a controlled substance" and "controlled substance analog" are used: ss. 343.10, 343.16, 343.30, 343.305, 343.44 and 346.637, stats. Other sections of the statutes make use of these terms plus the term "other drug": ss. 343.303, 343.305, 343.31, 343.315, 343.63, 344.576 and 346.65, stats. In addition, the term "intoxicant" is intermittently used. 351.02, 343.307,

and 895.53,

85.53,

This SECTION creates a definition of the term "intoxicant" to mean any of the following:

1. Alcohol, a controlled substance, a controlled substance analog, any other drug, or a vapor-releasing substance.
2. Any combination of alcohol, a controlled substance, a controlled substance analog, any other drug, or a vapor-releasing substance.

The use of the definition of the term "intoxicant" in the statutes will indicate consistently that a person may be considered intoxicated due to the individual impacts or the combined impacts of alcohol, a controlled substance, a controlled substance analog, any other drug or a vapor-releasing substance.

Another issue presented by this bill is the meaning of the phrase "operating a motor vehicle while under the influence". For example, s. 343.305 (9) (a) 5, states in part:

Whether the officer had probable cause to believe the person was driving or operating a motor vehicle while under the influence of alcohol, a controlled substance, or a controlled substance analog or any combination of alcohol, a controlled substance, and a controlled substance analog, under the influence of any other drug to a degree which renders the person incapable of safely driving, or under the combined influence of alcohol and any other drug to a degree which renders the person incapable of safely driving

It appears from the above-cited section of the statutes that the phrase "to a degree which renders the person incapable of safely driving" applies only to a person acting under the influence of "any other drug" or "alcohol and any other drug".

Wisconsin criminal jury instructions state that the phrase "under the influence of an intoxicant" means that a driver's ability to operate a vehicle is impaired because of the consumption of an alcoholic beverage. "Not every person who has consumed alcoholic beverages is 'under the influence' as that term is used here. What must be established is that the person has consumed a sufficient amount of alcohol to cause him to be less able to exercise the clear judgment and steady hand necessary to handle and control a motor vehicle. It is not required that impaired ability to operate be demonstrated by particular

a.

.....

acts of unsafe driving. What is required is that the person's ability to safely control his vehicle be impaired". [See WIS JI-CRIMINAL s. 2663.]

With respect to operating a motor vehicle while under the influence of a drug, the Wisconsin criminal jury instructions state that one element of this offense requires that the defendant drove or operated a motor vehicle while under the influence of a drug to a degree which rendered the defendant incapable of safely driving. [See WI JI-CRIMINAL s. 2666.]

This bill creates a definition of the term "under the influence of an intoxicant" by codifying the language of WI JI-CRIMINAL s. 2663. Rather than using 2 standards, as under current law, the bill applies the definition to the operation of a motor vehicle when the consumption of any intoxicant is involved. Again, the term "intoxicant" is defined to mean alcohol, a controlled substance, a controlled substance analog, any other drug, a vapor-releasing substance or any combination of these items.

1 **SECTION 4.** 343.10 (8) (intro.) of the statutes is amended to read:

2 **343.10 (8) VIOLATION OF RESTRICTIONS.** (intro.) Any person who violates a
3 restriction on an occupational license as to hours of the day, area, routes or purpose
4 of travel, vehicles allowed to be operated, use of an ignition interlock device, sobriety,
5 or use of alcohol, ~~controlled substances or controlled substance analogs~~ an intoxicant
6 shall be:

7 **SECTION 5.** 343.16 (5) (a) of the statutes, as affected by 1997 Wisconsin Act 84,
8 is amended to read:

9 **343.16 (5) (a)** The secretary may require any applicant for a license or any
10 licensed operator to submit to a special examination by such persons or agencies as
11 the secretary may direct to determine incompetency, physical or mental disability,
12 disease, or any other condition which might prevent such applicant or licensed
13 person from exercising reasonable and ordinary control over a motor vehicle. When
14 the department requires the applicant to submit to an examination, the applicant
15 shall pay the cost thereof. If the department receives an application for a renewal
16 or duplicate license after voluntary surrender under s. 343.265 or receives a report
17 from a physician or optometrist under s. 146.82 (3), or if the department has a report
18 of 2 or more arrests within a one-year period for any combination of violations of s.

1 346.63 (1) or (5) or a local ordinance in conformity therewith or a law of a federally
2 recognized American Indian tribe or band in this state in conformity with s. 346.63
3 (1) or (5), or s. 346.63 (1m), 1985 stats., or s. 346.63 (2) or (6) or 940.25, or s. 940.09
4 where the offense involved the use of a vehicle, the department shall determine, by
5 interview or otherwise, whether the operator should submit to an examination under
6 this section. The examination may consist of an assessment. If the examination
7 indicates that education or treatment for a disability, disease, or condition
8 concerning the use of alcohol, ~~a controlled substance or a controlled substance analog~~
9 an intoxicant is appropriate, the department may order a driver safety plan in
10 accordance with s. 343.30 (1q). If there is noncompliance with assessment or the
11 driver safety plan, the department shall revoke the person's operating privilege in
12 the manner specified in s. 343.30 (1q) (d).

13 **SECTION 6.** 343.30 (1g) (a) of the statutes is amended to read:

14 343.30 (1g) (a) Except as provided in ~~par.~~ pars. (b) and (c), a court may suspend
15 a person's operating privilege for any period not exceeding 6 months upon the
16 person's conviction for violating s. 343.44 (1) (a), (b), or (d) or a local ordinance in
17 conformity therewith.

18 **SECTION 7.** 343.30 (1g) (b) of the statutes is amended to read:

19 343.30 (1g) (b) ~~A~~ Except as provided in par. (c), a court shall revoke a person's
20 operating privilege upon the person's conviction for violating s. 343.44 (1) (a), (b), or
21 (d) or a local ordinance in conformity therewith if the person has been convicted of
22 3 or more prior violations of s. 343.44 (1) (a), (b), or (d), or similar violations under
23 s. 343.44 (1), 1997 stats., or a local ordinance in conformity therewith, within the
24 5-year period preceding the violation. The revocation shall be for a period of 6

1 months, unless the court orders a period of revocation of less than 6 months and
2 places its reasons for ordering the lesser period of revocation on the record.

3 **SECTION 8.** 343.30 (1g) (c) of the statutes is created to read:

4 343.30 (1g) (c) A court shall suspend a person's operating privilege upon the
5 person's conviction under s. 343.44 for violating s. 343.10 (5) (a) 3. or under s.
6 347.413. The revocation shall be for a period of not less than 6 months nor more than
7 9 months. If a person is convicted under s. 347.413, the person is eligible for an
8 occupational license at any time.

NOTE: This SECTION creates a license suspension provision applicable to persons who are convicted of tampering with an ignition interlock device (IID), either under the general tampering provision in s. 347.413, stats., or the tampering language in s. 343.10, stats. As with the current IID tampering laws, this suspension applies to whoever commits the tampering violation (that is, the operator subject to the IID restriction or anyone else tampering with the device). Except where an occupational license is involved, the suspension period and the provision making the operator eligible for an occupational license at any time is the same as that currently applicable to a first offense violator of the statutes prohibiting the operation of a motor vehicle while under the influence of an intoxicant or other drug (OWI). If the violator is an OWI violator who has an occupational license, the provisions of the occupational license statute determine future eligibility for such a license.

9 **SECTION 9.** 343.30 (1q) (c) 1. (intro.) of the statutes is amended to read:

10 343.30 (1q) (c) 1. (intro.) Except as provided in subd. 1. a. or b., the court shall
11 order the person to submit to and comply with an assessment by an approved public
12 treatment facility, as defined in s. 51.45 (2) (c), for examination of the person's use
13 of ~~alcohol, controlled substances or controlled substance analogs~~ an intoxicant and
14 development of a driver safety plan for the person. The court shall notify the
15 department of transportation of the assessment order. The court shall notify the
16 person that noncompliance with assessment or the driver safety plan will result in
17 revocation of the person's operating privilege until the person is in compliance. The
18 assessment order shall:

1 **SECTION 10.** 343.30 (1q) (d) of the statutes, as affected by 1997 Wisconsin Act
2 84, is amended to read:

3 343.30 (1q) (d) The assessment report shall order compliance with a driver
4 safety plan. The report shall inform the person of the fee provisions under s. 46.03
5 (18) (f). The driver safety plan may include a component that makes the person
6 aware of the effect of his or her offense on a victim and a victim's family. The driver
7 safety plan may include treatment for the person's misuse, abuse, or dependence on
8 ~~alcohol, controlled substances or controlled substance analogs~~ an intoxicant, or
9 attendance at a school under s. 345.60, or both. If the plan requires inpatient
10 treatment, the treatment shall not exceed 30 days. A driver safety plan under this
11 paragraph shall include a termination date consistent with the plan which shall not
12 extend beyond one year. The county department under s. 51.42 shall assure
13 notification of the department of transportation and the person of the person's
14 compliance or noncompliance with assessment and with treatment. The school
15 under s. 345.60 shall notify the department, the county department under s. 51.42,
16 and the person of the person's compliance or noncompliance with the requirements
17 of the school. Nonpayment of the assessment fee or, if the person has the ability to
18 pay, nonpayment of the driver safety plan fee is noncompliance with the court order.
19 If the department is notified of any noncompliance, other than for nonpayment of the
20 assessment fee or driver safety plan fee, it shall revoke the person's operating
21 privilege until the county department under s. 51.42 or the school under s. 345.60
22 notifies the department that the person is in compliance with assessment or the
23 driver safety plan. If the department is notified that a person has not paid the
24 assessment fee, or that a person with the ability to pay has not paid the driver safety
25 plan fee, the department shall suspend the person's operating privilege for a period

1 of 2 years or until it receives notice that the person has paid the fee, whichever occurs
2 first. The department shall notify the person of the suspension or revocation, the
3 reason for the suspension or revocation, and the person's right to a review. A person
4 may request a review of a revocation based upon failure to comply with a driver safety
5 plan within 10 days of notification. The review shall be handled by the subunit of
6 the department of transportation designated by the secretary. The issues at the
7 review are limited to whether the driver safety plan, if challenged, is appropriate and
8 whether the person is in compliance with the assessment order or the driver safety
9 plan. The review shall be conducted within 10 days after a request is received. If the
10 driver safety plan is determined to be inappropriate, the department shall order a
11 reassessment and, if the person is otherwise eligible, the department shall reinstate
12 the person's operating privilege. If the person is determined to be in compliance with
13 the assessment or driver safety plan, and if the person is otherwise eligible, the
14 department shall reinstate the person's operating privilege. If there is no decision
15 within the 10-day period, the department shall issue an order reinstating the
16 person's operating privilege until the review is completed, unless the delay is at the
17 request of the person seeking the review.

18 **SECTION 11.** 343.30 (1q) (h) of the statutes is amended to read:

19 343.30 (1q) (h) The court or department shall provide that the period of
20 suspension or revocation imposed under this subsection shall be reduced by any
21 period of suspension or revocation previously served under s. 343.305 if the
22 suspension or revocation under s. 343.305 and the conviction for violation of s. 346.63
23 (1) or (2m) or a local ordinance in conformity therewith arise out of the same incident
24 or occurrence. The court or department shall order that the period of suspension or
25 revocation imposed under this subsection run concurrently with any period of time

1 remaining on a suspension or revocation imposed under s. 343.305 arising out of the
2 same incident or occurrence. The court or department shall order that any period
3 of time that must expire before a person is eligible for an occupational license under
4 this subsection be reduced by any similar period previously expired under s. 343.305
5 if the suspension or revocation under s. 343.305 and the conviction for violation of
6 s. 346.63 (1) or a local ordinance in conformity therewith arise out of the same
7 incident or occurrence. The court or department shall order that any period of time
8 that must expire before a person is eligible for an occupational license under this
9 subsection run concurrently with any similar period of time remaining under s.
10 343.305 arising out of the same incident or occurrence. The court may modify an
11 occupational license authorized under s. 343.305 (8) (d) in accordance with this
12 subsection.

NOTE: Section 343.30 (1q) (b), stats., provides that a person who is convicted of driving or operating a motor vehicle while under the influence of an intoxicant or other drug or while maintaining a prohibited alcohol concentration will be subject to revocation of the person's operating privilege and a specified period of time within which the person is not eligible to obtain an occupational license. Similarly, s. 343.305 (10) (b), stats., provides that a person who improperly refuses to take a test to determine the presence of alcohol or other drugs will be subject to a revocation of the person's operating privilege and a specified period of time within which the person is not eligible to obtain an occupational license. This SECTION provides that, for a conviction and a refusal that arise out of the same incident or occurrence, the periods of time within which a person will not be eligible for an occupational license will run concurrently or, if an eligibility period has begun to run for a refusal, the latter period will operate as an offset to the period of ineligibility under s. 343.30, stats.

for an
occupational
license

13 SECTION 12. 343.303 of the statutes is renumbered 343.303 (1) (intro.) and
14 amended to read:

15 343.303 (1) (intro.) ~~If a~~ A law enforcement officer has probable cause to believe,
16 prior to an arrest, may request a person to provide a sample of his or her breath for
17 a preliminary breath screening test using a device approved by the department for
18 this purpose if any of the following conditions exists:

1 (a) The law enforcement officer has reasonable suspicion that the person is
2 violating or has violated s. 346.63 (1) or (2m) or a local ordinance in conformity
3 therewith, or s. 346.63 (2) or (6) ~~or, 940.09 (1), or 940.25 or s. 940.09~~ where the offense
4 ~~involved the use of a vehicle, or if the.~~

5 (b) The law enforcement officer detects any presence of alcohol, a controlled
6 ~~substance, controlled substance analog or other drug, or a combination thereof, an~~
7 intoxicant on a person driving or operating or on duty time with respect to a
8 commercial motor vehicle ~~or.~~

9 (c) The law enforcement officer has reason to believe that the person is violating
10 ~~or has violated s. 346.63 (7) or a local ordinance in conformity therewith, the officer,~~
11 ~~prior to an arrest, may request the person to provide a sample of his or her breath~~
12 ~~for a preliminary breath screening test using a device approved by the department~~
13 ~~for this purpose.~~

14 (2) The result of ~~this~~ the preliminary breath screening test under sub. (1) may
15 be used by the law enforcement officer for the purpose of deciding whether or not the
16 person shall be arrested for a violation of s. 346.63 (1), (2m), (5), or (7) or a local
17 ordinance in conformity therewith, or s. 346.63 (2) or (6), 940.09 (1), or 940.25 and
18 whether or not to require or request chemical tests as authorized under s. 343.305
19 (3).

20 (3) The result of the preliminary breath screening test under sub. (1) shall not
21 be admissible in any action or proceeding except to show probable cause for an arrest,
22 if the arrest is challenged, to show the presence of an intoxicant in a person's breath,
23 blood, or urine, or to prove that a chemical test was properly required or requested
24 of a person under s. 343.305 (3). Following the screening test, additional tests may
25 be required or requested of the driver under s. 343.305 (3).

1 (4) The general penalty provision under s. 939.61 (1) does not apply to a refusal
2 to take a preliminary breath screening test under this section.

NOTE: This SECTION reorganizes s. 343.303 and provides that a law enforcement officer may require a preliminary breath screening test if there is a reasonable suspicion, rather than probable cause to believe, that a violation has occurred. This change is based on the decision of the Wisconsin Supreme Court in *County of Jefferson v. Renz*, 231 Wis. 2d 293 (1999).

In addition, current law provides that a preliminary breath screening test is not admissible in any action or proceeding except to show probable cause for an arrest, if the arrest is challenged, or to prove that a chemical test was properly required or requested. This SECTION provides that the result of the preliminary breath screening test also may be used as evidence of the presence of an intoxicant in a person's breath, blood, or urine; that is, the result of the test is admissible for the purpose of providing evidence of the existence of an intoxicant but not for the purpose of providing evidence of the amount of an intoxicant.

3 **SECTION 13.** 343.305 (2), (3) (am) and (b), (4) (form) and (5) (b) of the statutes
4 are amended to read:

5 343.305 (2) IMPLIED CONSENT. Any person who is on duty time with respect to
6 a commercial motor vehicle or drives or operates a motor vehicle upon the public
7 highways of this state, or in those areas enumerated in s. 346.61, is deemed to have
8 given consent to one or more tests of his or her breath, blood, or urine, for the purpose
9 of determining the presence or quantity of an intoxicant in his or her ~~blood or breath,~~
10 ~~of alcohol, controlled substances, controlled substance analogs or other drugs, or any~~
11 ~~combination of alcohol, controlled substances, controlled substance analogs and~~
12 ~~other drugs~~ breath, blood, or urine, when requested to do so by a law enforcement
13 officer under sub. (3) (a) or (am) or when required to do so under sub. (3) (b). Any such
14 tests shall be administered upon the request of a law enforcement officer. The law
15 enforcement agency by which the officer is employed shall be prepared to administer,
16 either at its agency or any other agency or facility, 2 of the 3 tests under sub. (3) (a)
17 or (am), and may designate which of the tests shall be administered first.

1 (3) (am) Prior to arrest, a law enforcement officer may request the person to
2 provide one or more samples of his or her breath, blood, or urine for the purpose
3 specified under sub. (2) whenever a law enforcement officer detects any presence of
4 alcohol, ~~a controlled substance, a controlled substance analog or other drug, or a~~
5 ~~combination thereof~~, an intoxicant on a person driving or operating or on duty time
6 with respect to a commercial motor vehicle or has reason to believe the person is
7 violating or has violated s. 346.63 (7). Compliance with a request for one type of
8 sample does not bar a subsequent request for a different type of sample. For the
9 purposes of this paragraph, “law enforcement officer” includes inspectors in the
10 performance of duties under s. 110.07 (3).

11 (b) A person who is unconscious or otherwise not capable of withdrawing
12 consent is presumed not to have withdrawn consent under this subsection, and if a
13 law enforcement officer has probable cause to believe that the person has violated
14 s. 346.63 (1), (2m), or (5) or a local ordinance in conformity therewith, or s. 346.63 (2)
15 or (6) or 940.25, or s. 940.09 where the offense involved the use of a vehicle, or detects
16 any presence of alcohol, ~~controlled substance, controlled substance analog or other~~
17 ~~drug, or a combination thereof~~, an intoxicant on a person driving or operating or on
18 duty time with respect to a commercial motor vehicle or has reason to believe the
19 person has violated s. 346.63 (7), one or more samples tests specified in par. (a) or
20 (am) may be administered to the person.

21 (4) (form)

22 “You have either been arrested for an offense that involves driving or operating
23 a motor vehicle while under the influence of alcohol or drugs, or both an intoxicant,
24 or you are suspected of driving or being on duty time with respect to a commercial
25 motor vehicle after consuming an intoxicating beverage.

1 This law enforcement agency now wants to test one or more samples of your
2 breath, blood, or urine to determine the concentration of ~~alcohol or drugs~~ an

4 permits while driving, your operating privilege will be suspended. If you refuse to
5 take any test that this agency requests, your operating privilege will be revoked and
6 you will be subject to other penalties. The test results or the fact that you refused
7 testing can be used against you in court. The law does not provide you with a right
8 to contact an attorney before submitting to a chemical test.

9 If you take all of the requested tests, you may choose to take further tests. You
10 may take the alternative test that this law enforcement agency provides free of
11 charge. You also may have a test conducted by a qualified person of your choice at
12 your expense. You, however, will have to make your own arrangements for that test.

13 If you have a commercial driver license or were operating a commercial motor
14 vehicle, other consequences may result from positive test results or from refusing
15 testing, such as being placed out of service or disqualified.”

NOTE: This SECTION ~~and Section 38~~ clarifies that the crime of driving or operating a motor vehicle while under the influence of an intoxicant or with a prohibited alcohol concentration is not an included offense of the following crimes: causing bodily harm while intoxicated; homicide by intoxicated use of a vehicle; or injury by intoxicated use of a vehicle.

1 SECTION 39. 346.63 (6) (a) and (c) of the statutes are amended to read:

2 346.63 (6) (a) No person may cause injury bodily harm to another person by the
3 operation of a commercial motor vehicle while the person has an alcohol
4 concentration of 0.04 or more but less than 0.1.

5 (c) Under par. (a), the person charged has a defense if it appears by a
6 preponderance of the evidence that the injury bodily harm would have occurred even
7 if he or she had not been under the influence of an intoxicant, ~~a controlled substance,~~
8 ~~a controlled substance analog or a combination thereof, under the influence of any~~
9 ~~other drug to a degree which renders him or her incapable of safely driving, or under~~
10 ~~the combined influence of an intoxicant and any other drug to a degree which renders~~
11 ~~him or her incapable of safely driving~~ or did not have an alcohol concentration
12 described under par. (a).

~~Note: See the note to SECTION 39~~

13 SECTION 40. 346.637 (1) and (2) of the statutes are amended to read:

14 346.637 (1) The laws relating to operating a motor vehicle and ~~drinking~~
15 ~~alcohol, using controlled substances or controlled substance analogs, or using any~~
16 ~~combination of alcohol, controlled substances and controlled substance analogs~~ an
17 intoxicant.

1 (2) The effects of ~~alcohol, controlled substances or controlled substance~~
2 ~~analogs, an intoxicant~~ or the use of ~~them in any combination~~ an intoxicant, on a
3 person's ability to operate a motor vehicle.

4 **SECTION 41.** 346.65 (2) (e) of the statutes is amended to read:

5 346.65 (2) (e) Except as provided in pars. (f) and (g), shall be fined not less than
6 \$600 nor more than \$2,000 and imprisoned for not less than 6 months nor more than
7 ~~5 7~~ 7 years and 6 months if the number of convictions under ss. 940.09 (1) and 940.25
8 in the person's lifetime, plus the total number of suspensions, revocations, and other
9 convictions counted under s. 343.307 (1), equals 5 or more, except that suspensions,
10 revocations, or convictions arising out of the same incident or occurrence shall be
11 counted as one.

NOTE: This SECTION increases the maximum term of imprisonment for a person with 5 or more suspensions, revocations and convictions related to intoxicated operation from 5 years to 7 years and 6 months. The increase is similar to adjustments made in 1997 Wisconsin Act 283.

12 **SECTION 42.** 346.65 (2) (g) 4. of the statutes is created to read:

13 346.65 (2) (g) 4. The increased fines provided in this paragraph do not apply
14 if a person convicted is subject to par. (f).

NOTE: Current law provides that if a person is convicted of operating a motor vehicle while intoxicated, and if a minor passenger under 16 years of age is in or on a vehicle at the time of the violation, the applicable minimum and maximum forfeitures, fines or imprisonment for the convictions are doubled. Also, the applicable minimum and maximum fines will be doubled, tripled or quadrupled if the operator of the motor vehicle had an alcohol concentration of 0.17 to 0.199, 0.20 to 0.249, or 0.25 or above, respectively. This draft clarifies that the increased fines for increasing alcohol ~~concentration~~ ^{concentrations} may not be applied if the penalty relating to a minor passenger under the age of 16 years is applicable to the offense.

15 **SECTION 43.** 346.65 (2g) (b) and (c) and (2i) of the statutes are amended to read:

16 346.65 (2g) (b) The court may require a person ordered to perform community
17 service work under par. (a) or (ag), or under s. 973.05 (3) (a) if that person's fine
18 resulted from violating s. 346.63 (2), 940.09 (1), or 940.25, to participate in

1 community service work that demonstrates the adverse effects of substance abuse
2 or of operating a vehicle while under the influence of an intoxicant ~~or other drug~~,
3 including working at an alcoholism treatment facility approved under s. 51.45, an
4 emergency room of a general hospital, or a driver awareness program under s.
5 346.637. The court may order the person to pay a reasonable fee, based on the
6 person's ability to pay, to offset the cost of establishing, maintaining, and monitoring
7 the community service work ordered under this paragraph. If the opportunities
8 available to perform community service work are fewer in number than the number
9 of defendants eligible under this subsection, the court shall, when making an order
10 under this paragraph, give preference to defendants who were under 21 years of age
11 at the time of the offense. All provisions of par. (am) apply to any community service
12 work ordered under this paragraph.

13 (c) If there was a minor passenger under 16 years of age in the motor vehicle
14 or commercial motor vehicle at the time of the violation that gave rise to the
15 conviction, the court may require a person ordered to perform community service
16 work under par. (a) or (ag), or under s. 973.05 (3) (a) if that person's fine resulted from
17 violating s. 346.63 (2), (5) (a), or (6) (a), 940.09 (1), or 940.25, to participate in
18 community service work that benefits children or that demonstrates the adverse
19 effects on children of substance abuse or of operating a vehicle while under the
20 influence of an intoxicant ~~or other drug~~. The court may order the person to pay a
21 reasonable fee, based on the person's ability to pay, to offset the cost of establishing,
22 maintaining, and monitoring the community service work ordered under this
23 paragraph.

24 (2i) In addition to the authority of the court under sub. (2g) and s. 973.05 (3)
25 (a), the court may order a defendant subject to sub. (2), or a defendant subject to s.

1 973.05 (3) (a) who violated s. 346.63 (2), 940.09 (1), or 940.25, to visit a site that
2 demonstrates the adverse effects of substance abuse or of operating a vehicle while
3 under the influence of an intoxicant ~~or other drug~~, including an alcoholism treatment
4 facility approved under s. 51.45 or an emergency room of a general hospital in lieu
5 of part or all of any forfeiture imposed or in addition to any penalty imposed. The
6 court may order the defendant to pay a reasonable fee, based on the person's ability
7 to pay, to offset the costs of establishing, maintaining, and monitoring the visits
8 ordered under this subsection. The court may order a visit to the site only if agreed
9 to by the person responsible for the site. If the opportunities available to visit sites
10 under this subsection are fewer than the number of defendants eligible for a visit,
11 the court shall, when making an order under this subsection, give preference to
12 defendants who were under 21 years of age at the time of the offense. The court shall
13 ensure that the visit is monitored. A visit to a site may be ordered for a specific time
14 and a specific day to allow the defendant to observe victims of vehicle accidents
15 involving intoxicated drivers. If it appears to the court that the defendant has not
16 complied with the court order to visit a site or to pay a reasonable fee, the court may
17 order the defendant to show cause why he or she should not be held in contempt of
18 court. Any organization or agency acting in good faith to which a defendant is
19 assigned pursuant to an order under this subsection has immunity from any civil
20 liability in excess of \$25,000 for acts or omissions by or impacting on the defendant.
21 The issuance or possibility of the issuance of an order under this subsection does not
22 entitle an indigent defendant who is subject to sub. (2) (a) to representation by
23 counsel under ch. 977.

24 **SECTION 44.** 346.65 (2q) and (2u) (a) of the statutes are amended to read:

1 346.65 (2q) Any person violating s. 346.63 (2m) shall forfeit \$10. ~~If there was~~
2 ~~a minor passenger under 16 years of age in the motor vehicle at the time of the~~
3 ~~violation that gave rise to the conviction under 346.63 (2m), the forfeiture is \$20 \$50.~~

4 (2u) (a) Any person violating s. 346.63 (7) shall forfeit \$10 \$50.

NOTE: Current law provides that a person under the legal drinking age must forfeit \$10 if the person drives or operates a motor vehicle while the person has an alcohol concentration of more than 0.0 but not more than 0.1. If a minor passenger under 16 years of age is in the motor vehicle, the forfeiture is \$20. This SECTION amends s. 346.65 (2q), stats., to provide that a violation of ~~the~~ absolute sobriety provision will result in a forfeiture of \$50. ^{this}

Section 346.63 (7), stats., imposes an absolute sobriety requirement on a person driving or operating, or on duty time with respect to, a commercial motor vehicle. The current penalty for a violation of this provision is a forfeiture of \$10. This SECTION amends s. 346.65 (2u) (a), stats., to provide that a violation of the absolute sobriety provision will result in a forfeiture of \$50.

5 **SECTION 45.** 346.65 (3m) and (7) of the statutes are amended to read:

6 346.65 (3m) Any person violating s. 346.63 (2) or (6) shall be fined not less than
7 \$300 nor more than \$2,000 and may be imprisoned for not less than 30 days nor more
8 than one year in the county jail. If there was a minor passenger under 16 years of
9 age in the motor vehicle at the time of the violation that gave rise to the conviction
10 under s. 346.63 (2) or (6), the offense is a felony, the applicable minimum and
11 maximum fines or periods of imprisonment for the conviction are doubled, and the
12 place of imprisonment shall be determined under s. 973.02.

13 (7) A person ~~convicted~~ sentenced to imprisonment under sub. (2) (b), (c), (d),
14 or (e) ~~or~~, (2j) (b) or (c), or (3m) shall be required to remain in the county jail for not
15 less than a 48-consecutive-hour period.

NOTE: Section 346.65 (3m), stats., provides that a person who causes injury while operating a motor vehicle under the influence of an intoxicant or drug must be fined not less than \$300 nor more than \$2,000 and may be imprisoned for not less than 30 days nor more than one year in the county jail. This SECTION amends s. 346.65 (3m) and (7), stats., to provide that, with respect to imprisonment, a violator may be imprisoned for not more than one year in the county jail. However, the violator will be required to remain in the county jail for not less than a 48-consecutive hour period if sentenced to imprisonment under the specified provisions of s. 346.65, stats.

16 **SECTION 46.** 346.65 (8) of the statutes is created to read:

1 346.65 (8) When sentencing a person convicted for a violation of s. 346.63 (1),
2 (2), or (6), a court may order the payment of restitution, using the applicable
3 procedures under s. 800.093 or 973.20, for property damage caused by the person in
4 the incident that resulted in the conviction.

NOTE: This SECTION authorizes a court to use statutory restitution procedures to impose a restitution requirement upon a person who causes property damage due to the intoxicated operation of a motor vehicle. Section 973.20, stats., currently may be used for this purpose with respect to ss. 940.09 and 940.25 regarding homicide or injury by intoxicated use of a vehicle.

5 **SECTION 47.** 346.66 of the statutes is amended to read:

6 **346.66 Applicability of sections relating to accidents and accident**
7 **reporting.** In addition to being applicable upon highways, ss. 346.67 to 346.70 are
8 applicable upon frozen waters, all premises held out to the public for use of their
9 motor vehicles, all premises provided by employers to employees for the use of their
10 motor vehicles, and all premises provided to tenants of rental housing in buildings
11 of 4 or more units for the use of their motor vehicles, whether such premises are
12 publicly or privately owned and whether or not a fee is charged for the use thereof.
13 These sections do not apply to private parking areas at farms or single-family
14 residences or to accidents involving only snowmobiles, all-terrain vehicles, or
15 vehicles propelled by human power or drawn by animals.

NOTE: Section 346.66 provides that statutes relating to accidents and accident reporting are applicable upon highways, all premises held out to the public for use of their motor vehicles, all premises provided by employers to employees for the use of their motor vehicles, and all premises provided to tenants of rental housing in building of 4 or more units for the use of their motor vehicles, whether the premises are publicly or privately owned and whether or not a fee is charged for their use. An exception exists for private parking areas at farms or single-family residences or to accidents involving only snowmobiles, all-terrain vehicles, or vehicles propelled by human power or drawn by animals. This SECTION amends s. 346.66, stats., to apply the statutes relating to accidents and accident reporting to frozen waters.

 4 analyst and the person who drew the blood. The request shall be made not later than
 5 10 days prior to the trial unless a later date is allowed by the court.

NOTE: This SECTION generally provides that a certified copy of a blood alcohol analysis is admissible as evidence in a municipal court trial.
