2001 BILL

D-note

Gen

- 1 AN ACT ...; relating to: registration plates for motor vehicles owned by the state
- 2 or by a county, municipality, or federally recognized Indian tribe or band.

Analysis by the Legislative Reference Bureau

Under current law, the department of transportation (DOT) issues ^{two} registration plates for most motor vehicles; the owner of the vehicle must display one plate to the front and one plate to the rear of the vehicle. However, DOT issues only one registration plate for a motor vehicle that is owned or leased by the state or by any county, municipality, or federally recognized Indian tribe or band in the state. DOT charges a \$5 fee when it issues a registration plate for the first time to a county, municipality, or federally recognized Indian tribe or band and a \$1 fee when a plate is transferred to a replacement vehicle owned by that entity.

This bill requires DOT to issue ^{two} registration plates that must be displayed * on the front and the rear of a motor vehicle that is owned or leased by the state or by any county, municipality, or federally recognized Indian tribe or band in the state. Under the bill, DOT charges a \$10 when it issues registration plates for * the first time to a county, municipality, or federally recognized Indian tribe or band. The bill does not change the fee for transferring the plates to a replacement vehicle.

For further information see the *state and local* fiscal estimate, ^{check A} which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
