Yep, this looks good to circulate. Who is the drafter? I will give them a call and forward this e-mail to them so they know you've given us permission to do a companion bill.

Scott:

I know we talked about this a while ago - Stone's office said they could get us a hearing in his committee in early January if we get this out now. Of course, you will have to introduce a companion to get a hearing in the Assembly committee.

Let me know what you think about the cosponsorship memo.

Thanks,
