### Assumptions Used in Arriving at Fiscal Estimate

Because this bill would expand the permissible time period for initiating certain homicide prosecutions, it would increase the costs of the State Public Defender. Although there would probably not be a large number of cases filed under the expanded time limits, any such cases would be expensive to defend because of the severity of the charge and the difficulty in investigating an incident that occurred over 6 years before the filing of charges.

The bill would likely increase county costs for incarceration (either pretrial or after disposition).

### Long-Range Fiscal Implications
