

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2702/1dn

Based on my conversation with DNR, it appears that only six snowmobile dealers in the state who process registration applications will also do this for private sales, and that this is the problem that needs addressing. DNR hopes that more of these dealers will act as registration agents due to the increase in the budget act of the amount of the issuing fee retained by these registration agents.

In an attempt to get at this problem, I drafted this additional exception. Please review this draft carefully to determine whether it achieves your intent. I also suggest that you allow DNR to review it prior to introduction to see if this solution to the problem is feasible.
