2001 BILL

AN ACT to amend 28.11 (5) (a) of the statutes; relating to: to the effective period of comprehensive county forest land use plans.

Analysis by the Legislative Reference Bureau

Under current law, for each county forest, the department of natural resources (DNR) and the county board of the county in which the county forest is located must approve a comprehensive land use plan for the county forest. The county forestry committee prepares the plan. Under current law, the effective period for the plan is ten years. This bill increases the effective period of the plan to 15 years. For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 28.11 (5) (a) of the statutes is amended to read:

The plan may include an application for aids under s. 23.09 (17m). The application will be considered an annual application for these aids during the ~~10-year~~ 15-year period of the plan. ~~The initial plan shall be completed within 2 years from October 2, 1963 and~~ A plan may be revised as changing conditions require and shall be revised upon expiration of the plan period.
