Under current law, the Wisconsin Health and Educational Facilities Authority (WHEFA) may issue bonds to finance certain projects of health or educational institutions, to refinance outstanding debt of health or educational institutions, and to finance a purchase of the state's right to receive any of the payments under the Attorneys General Master Tobacco Settlement Agreement of November 23, 1998. Projects of health or educational institutions that may be financed include, among others, the acquisition of a hospital, the construction or operation of an ambulatory

A cultural facility is defined in the bill as a building, institution, place, or agency of a nonprofit entity that is or will be used in whole or in part for the performing or visual arts; for the display of art, animals, plants, or other items of cultural interest; or as a library, museum, broadcasting facility, or other facility related to other cultural arts activities. Project activities for which WHEFA may issue bonds include construction, acquisition, remodeling, furnishing, and equipping of cultural facilities, related structures, and structures or items that are useful for the operation of cultural facilities.
