November 13, 2001

This bill provides that \$10 of the \$23 paid by a person registering a motorcycle or moped must be used to fund the Type 1 motorcycle, moped, and motor bicycle safety program. Currently, all of the registration fees for motorcycles and mopeds are "revenues derived from s. 341.25" that are deposited in the highway trust fund and primarily used for major highway projects. See s. 84.59, stats.
