If the total amount of the designations for any year exceeds \$1,100,000, the department of revenue shall proportionately reduce the amount of the designations made for the general account and for the account of each eligible political party so that the total amount equals \$1,100,000.

Representative Gundrum:

One new feature proposed in AB-843 is to allow taxpayers the option of designating amounts for the general account of the Wisconsin election campaign fund (for payment of grants to all eligible candidates in the manner prescribed under current law) or for the account of an eligible political party (for payment of grants only to candidates of that party). Because this amendment limits the amount of the annual transfer to the campaign to a maximum of \$1,100,000, the amendment provides that if the designations in any year total more than \$1,100,000, all designations are reduced proportionately. Please let us know if this is not in accord with your intent.
