

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1508/1dn
PJK:kmg:jf

March 7, 2002

It would have been preferable just to get rid of s. 632.835 (2) (b) and substitute these new notice requirements, since the notice requirement under s. 632.835 (2) (b) is made irrelevant by all of these alternate requirements.
